Read Dr. Paul's latest book, **The Secret Psychology of How We Fall in Love**, to discover a 9-step program for understanding the dating brain and finding lasting love!

To achieve greater balance and well-being, work to cultivate the personality temperaments that are opposite your dominant temperaments!

#### **Kings and Queens have the wisdom and skill to bring people together**

Protective, orderly, and analytical, you're a natural leader and an excellent advisor who likes to make and play by the rules. While you prefer to oversee and issue commands without necessarily being the one to carry them out, you're also very compassionate and nurturing... [More](#)

**Explore the opposite of the King/Queen: the Magician**

#### **Warriors have the power and confidence to conquer any task**

Confident, competitive, and analytical, you are a fierce and steady protector of your friends, family, and all things you hold dear. You're extremely ambitious, targeted, and determined... [More](#)

**Explore the opposite of the Warrior: the Lover**

#### **Magicians inspire us with confidence and delight**

Creative, adventurous, and energetic, you are the life of the party and people are naturally drawn to your spirit and confidence. They also stand back in awe of your magical ability to multitask and exercise "street smarts"... [More](#)

**Explore the opposite of the Magician: the King/Queen**

#### **Lovers share a deeper meaning and vision of the world**

Creative, intuitive, and deeply caring, your mind and spirit are open and capable of expressing deep meaning in the world. You represent the artists and nurturers of society... [More](#)

**Explore the opposite of the Lover: the Warrior**
