### ATTENDANCE AT TECHNOLOGY CONFERENCE

*An Event for Dreamers and Doers*

**Billings, Montana:** Kim Foard, CPA attended the 2018 QuickBooks Connect conference in San Jose, CA, November 5 – 7, 2018. More than 5,000 accounting professionals, small business owners, self-employed, and developers came together to learn, be inspired, and connect with each other. This is the fifth year Intuit, the provider of QuickBooks software, has hosted the event.

Benefits of attending include: learning about leading-edge technology, being inspired by thought leaders, expanding a meaningful network of peers, and understanding trends affecting the success of those brave and hardy souls known as the Entrepreneur.

Technology enlightens, empowers, and encourages the Entrepreneur to achieve results unimaginable even a decade ago. Cloud computing platforms enhance efforts to implement the 5-Step Success Model: 1) Establish a fair Price; 2) Ask for Acceptance; 3) Plan the Work; 4) Deliver on Promises; and 5) Enjoy the Celebration.
